## **PASS GUARANTEE**

A unique guarantee with the promise to refund your flight and hotel expenses incurred at your first CCIE Lab attempt, in addition to a 100% FREE repeat CCIE Boot Camp.

Terms and Conditions of WinNET CCIE Guarantee:

- Full course fee should be paid in advance. This guarantee is not applicable to any promotional or discounted course fee offers, unless stated otherwise
- The candidate should sit for the Lab Exam within 60 days but not earlier than 14 days after the last date of the Boot Camp.

Getting a date from Cisco within this period is the candidate's responsibility. Therefore we recommend the candidate obtains an Exam date before attempting the Boot Camp

- The candidate should be present in the class during the full length of the course
- The candidate should have possess one of the following.
  - \* CCNP certification
  - \* CCVP certification
  - \* CCSP certification
  - \* 2 years of experience in the networking industry

If a candidate meets above requirements and fails the CCIE Lab Exam, WinNET will refund:

- the air/train ticket fare (maximum of £300)
- the hotel expense (maximum of £150)

The candidate should provide the actual bills for the above expenses and the unsuccessful Exam attempt report; those dates should tally. The air/train ticket and hotel costs should have occurred during the time of the unsuccessful attempt of the Exam.

WinNET will allow the candidate to repeat the Boot Camp again. No Lab access given for repeaters. Either they should rent a Lab Rack from WinNET or they should use their own equipment. WinNET will reserve 2 seats for repeaters on each course (where possible).

WinNETs CCIE Pass Guarantee offer is applicable only to CCIE Boot Camps and not to the Foundation Labs.

**CLAIMS MUST BE SUBMITTED TO WINNET WITHIN 30 DAYS OF SITTING THE EXAM**
